

Technical Meeting Report

Chapter MNIT IEEE Sensor Council Student

Malaviya National Institute of Technology Jaipur (INDIA)

International Conference on Optical and Wireless Technologies-2020

OWT 2020 (International Conference on Optical and Wireless Technologies 2020) is a two-day international conference. The conference was also associated with the **IEEE sensor council student chapter MNIT, Jaipur**. This year due to the COVID-19 pandemic the conference was held on 3rd - 4th OCT 2020 through the online mode. In this conference about 70 research papers were presented and 5 invited talks of the reputed Professors from Vietnam, South Africa, Italy, Japan and India in their respective research areas took place successfully. To present the papers 10 technical sessions were arranged which were chaired by the session experts of different institutes. The conference was attended by more than 100 persons all over the globe online. IEEE Sensor Council members of MNIT also presented their research paper in this international conference.

Details of OWT 2020

1. Keynote session of Pro. Vishwanath Sinha, Emeritus Professor with Department of ECE MNIT.
2. Invited talk of Dr. Yaseera Ismail University of Kwazulu, Durban on “Quantum Technology for Quantum internet”.
3. Invited Talk of Prof. Preecha Yupapin, Ton Duc Thang University, Vietnam on “Dual-Quantum wireless and LiFi networks for 100 PBits transmission”.
4. Invited Talk of Dr. Rocio Borrego-Varillas, Italy on “Ultrashort pulses and Application to Ultrafast Spectroscopy”.
5. Invited Talk of Prof. Hiroshi Yoshikawa, Nihon University, Japan
6. Invited Talk of Dr. Rajlaxmi Chouhan, IIT Jodhpur, India
7. Technical sessions of paper presentations.
